Monografía

"In this exhilarating graphic novel about the Spanish Civil War, three American friends set off from Brooklyn to join in the fight-determined to make Spain "the tomb of fascism" for the sake of us all. Together they defy the U.S. government and join the legendary Abraham Lincoln Brigade, throw themselves into battle, and conduct sabotage missions behind enemy lines. As Spain is shattered by the savagery of combat during the Spanish Civil War (1936-1939), readers see the darkening clouds of the World War to come. Artist Anne Timmons has created a thrilling graphic novel in the spirit of the "war comic" genre that appeared after the attack on Pearl Harbor and the United States' entry into World War II. Drawing upon the real-life experiences of Lincoln Brigade veteran Abe Osherooff, writer Miguel Ferguson offers a lively, accessible resource based on actual events during the Great Depression and the Spanish Civil War. Brigadistas! will stir the memories of older audiences who remember the Spanish Civil War as a time of unparalleled international solidarity and heartbreak, and it will expose young audiences to the passions, politics, and conflicts of a bygone era with striking contemporary relevance"--
