Monografía

"The mayor of Barcelona is being blackmailed. A sex tape from her student days - one she never knew existed. The price: 300,000 euros and her immediate resignation. A political chameleon who swept to power on a populist wave, she has her enemies. Nor can she trust those closest to her. Both her ex-husband and her deputy would profit from her fall. Melchor Marin, living a quiet life in Terra Alta, is tempted back to Barcelona to work the case. But what seemed a simple matter has its roots in far more serious and disturbing crimes. With the mayor on the verge of capitulation, a shock revelation changes everything - not least the course of Melchor's life. At long last, his heart's dark desire is in his grasp."--Provided by publisher.
