

ASEAN economic co-operation : handbook /

Rieger, Hans Christoph

ASEAN Economic Research Unit, Institute of Southeast Asian
Studies,
1991

Fallstudiensammlung.

Textbooks (form)

Monografía

This handbook provides basic information on the Association of Southeast Asian Nations (ASEAN), its organization and the various co-operation activities associated with it. The emphasis here is on economic co-operation. Although such information is available in many forms, it is mostly scattered in official documents and various literature on ASEAN. There is, thus, a need to provide the basic information in a handy volume, and this handbook fills that need.--
