

Changing contexts in urban regeneration : 30 years of modernisation in Rotterdam /

Stouten, Paul L. M.

Techne Press,
2010

History.

Monografía

Changing Contexts in Urban Regeneration shows that urban renewal should take an integrated approach to the physical, environmental, social and economic programmes, based on fundamental solutions that stand the test of time. Changing Contexts in Urban Regeneration presents a comprehensive overview of relevant theory, next, it evaluates the urban renewal plans carried out over the last 30 years
