Monografía

Covering the very beginnings of Western civilization, this biographical dictionary introduces readers to the great cultural figures of the ancient world, including those who contributed significantly to architecture, astronomy, history, literature, mathematics, philosophy, painting, sculpture, and theology. While focusing on great cultural figures of the Mediterranean basin, such as Homer, Sophocles, and Aristophanes, the volume also includes those who impinged on Greco-Roman Civilization such as Hannibal Barca and King Darius of Persia. Showing how the era's intellectual milieu was interwoven
