

Getting started with Oracle SOA Suite 11g R1 : a hands-on tutorial : fast track your SOA adoption : build a service-oriented composite application in just hours! /

Buelow, Heidi

Packt Pub.,
2009

Monografía

"Accelerate your learning path to Oracle SOA Suite 11g with this easy-to-use and comprehensive hands-on tutorial. This tutorial is built upon proven training content that has been acclaimed by hundreds of developers at SOA Suite 11g rollout training courses. Getting Started With Oracle SOA Suite 11g walks you through the development of a services-oriented composite application based on a real-life scenario. The solution is built in an iterative fashion, with each chapter introducing new features one by one. This fully illustrated step-by-step tutorial is based on proven training content that has been praised by hundreds of developers in product training courses forming the SOA Suite 11g rollout."--Resource description page
