Título: 75 years of quantum entanglement foundations and information theoretic applications : S.N. Bose National Centre for Basic Sciences Silver Jubilee Symposium, Kolkata, India, 6-10 January 2011 editors, Dipankar Home, Guruprasad Kar, Archan S. Majumdar

Editorial: Melville, N.Y. American Institute of Physics 2011

Descripción física: VII, 272 p. il. 28 cm

Tipo Audiovisual: Quantum theory Congresses

Variantes del título: Seventy-five years of quantum entanglement S.N. Bose National Centre for Basic Sciences Silver Jubilee Symposium SN Bose National Centre for Basic Sciences Silver Jubilee Symposium

Mención de serie: AIP conference proceedings 1384

Bibliografía: por capítulos

ISBN: 9780735409453

Materia: Mecánica cuántica

Autores: Home, Dipankar, ed. lit Kar, Guruprasad, ed. lit Majumdar, Archan S., ed. lit

Entidades: S.N. Bose National Centre for Basic Sciences (Calcutta, India)
