Título: Acid deposition [Recurso electrónico] atmospheric processes in Eastern North America : a review of current scientific understanding [Jack Calvert ... et. al.] Committee on Atmospheric Transport and Chemical Transformation in Acid Precipitation

Editorial: Washington, D.C. National Academy Press 1983

Descripción física: xvi, 375 p. il

Variantes del título: Atmospheric processes in eastern North America

Mención de serie: EBSCO Academic eBook Collection Complete

Nota general: Author's name from p. v.

Bibliografía: Includes bibliographical references

Contenido: Atmospheric process -- Theoretical models of regional air quality -- Empirical observations and source-receptor relationships -- Research needs

Detalles del sistema: Forma de acceso: World Wide Web

ISBN: 0585144508 9780585144504 0309074630 9780309074636 0309033896

Entidades: National Research Council (U.S.). Committee on Atmospheric Transport and Chemical Transformation in Acid Precipitation
