

## Advances in management accounting.

Epstein, Marc J.  
Lee, John Y.

Elsevier JAI,  
2004

Monografía

Advances in Management Accounting (AIMA) publishes well-developed articles on a variety of current topics in management accounting that are relevant to researchers in both practice and academe. As one of the premier management accounting research journals, AIMA is well poised to meet the needs of management accounting scholars. Featured in Volume 13 are articles on expanding management accounting researchers' frontiers in the next decade, innovation strategy and the use of performance measures, performance effects of financial incentives, evaluating product mix and capital budgeting decision
