

## Andreia [ studies in manliness and courage in classical antiquity /

Rosen, Ralph Mark

Sluiter, I. (Ineke)

Brill,  
2003

Monografía

An examination of a central concept in the self-definition of any Greek-speaking male: "Andreia", the notion of courage and manliness. Through a combination of lexical or semantic and conceptual studies the discourse of manliness and its role in the construction of social order is explored
