Título: Bayesian inference and maximum entropy methods in science and engineering 20th International Workshop, Gif-sur-Yvette, France, 8-13 July 2000 Editor Ali Mohammad-Djafari

Editorial: Melville American Institute of Physics 2001

Descripción física: 644 p.

Mención de serie: AIP conference proceedings 568

ISBN: 0735400040 9780735400047

Materia: Bayesian statistical decision theory- Congresses Estadística bayesiana- Congressos Bayesian statistical decision theory- Industrial applications-- Congresses Estadística bayesiana- Aplicacions industrials- Congressos Matemàtica

Autores: Mohammad-Djafari, Ali, ed

Congresos: International Workshop on Bayesian Inference and Maximum Entropy Methods in Science and Engineering; MaxEnt 20th :. July 2000 :. Gif-sur-Yvette,)

Punto acceso adicional serie-Título: AIP conference proceedings 568
