Título: Biomagnetism and magnetic biosystems based on molecular recognition processes Sant Feliu de Guixols, Spain, 22-27 September 2007 editors, J. Anthony C. Bland, Adrian Ionescu ; sponsoring organizations, European Science Foundation ... [et al.].

Editorial: American Institute of Physics, New York : 2008

Descripción física: xix, 196 p. il

Mención de serie: AIP Conference Proceedings 1025

ISBN: 0735405476 9780735405479

Materia: Materiales biomédicos Materiales- Propiedades magnéticas Materiales magnéticos

Autores: Bland, J. Anthony C., coed Ionescu, Adrian M., coed

Entidades: American Institute of Physics European Science Foundation
