

CISA - Certified Information Systems Auditor [study guide /

Cannon, David (David L.)

Wiley Pub.,
c2006

Monografía

"Prepare for CISA certification and improve your job skills with the training you'll receive in this valuable book. Covering the very latest version of the exam, it's packed with instruction on all exam content areas, including the most up-to-date regulations, IS auditing best practices, and compliances. You'll find practical exercises and plenty of real-world scenarios--just what you need for the CISA exam, and beyond"--Resource description page
