Título: Hamiltonian dynamics and celestial mechanics Donald G. Saari, Zhihong Xia, editors

Editorial: Providence AMS 1996

Descripción física: VII, 240 p. 26 cm

Mención de serie: Contemporary mathematics 198

Nota general: Selective papers from the AMS-IMS-SIAM Joint Summer Research Conference on Hamiltonian Dynamics and Celestial Mechanics, held June 1995 at the University of Washington, Seattle

ISBN: 0-8218-0566-5

Materia: Mecánica analítica Mecánica celeste

Autores: Saari, Donald G. Xia, Zhihong

Entidades: American Mathematical Society (Providence)

Congresos: AMS-IMS-SIAM Joint Summer Research Conference on Hamiltonian Dynamics and Celestial Mechanics 1995. Seattle)
