Título: Invariant theory and superalgebras [expository lectures from the CBMS regional conference held at West Chester University, August 19-23, 1985] Frank D. Grosshans, Gian-Carlo Rota, Joel A. Stein

Editorial: Providence (R.I.) Published for the Conference Board of the Mathematical Sciences by the American Mathematical Society cop. 1987

Descripción física: XXI, 80 p. 26 cm

Mención de serie: Regional conference series in mathematics 69

ISBN: 0821807196

Materia: Álgebra lineal Algebra multilinear Anillos asociativos

Autores: Rota, Gian-Carlo, coaut Stein, Joel A., coaut

Entidades: Conference Board of the Mathematical Sciences
